GIFT GUIDE 2022

Make this holiday season unforgettable.

BURN BRIGHT

Inspired by the freedom and inspiration of spontaneous road trips, our three scented candles conjure the scents of the floral markets of East London, the open countryside, and the salt and smoke of a beachside campfire. Candles are available separately (220g) or in a special pack of three (75g each) candles. Enhance the visual experience by adding our specially-designed solid metal Vessel to one of the 220g candles.
